## PROFILE

Young computer enthusiast | System Administrator & Network Administrator | Full Stack Web Developer | Database Administrator | Python Developer | Willing to learn | Strong communication and feedback skills | Presentation skills

Above all very authentic, very involved and excellent, positive attitude and solution provider.

## WORK EXPERIENCE

### CISCO, Lubumbashi — IT ESSENTIAL Instructor

Oct 2022 - NOW

As an instructor, I share with students the IT ESSENTIALS module. This course provides an excellent introduction to the computer industry and an interactive exposure to personal computers, hardware and operating systems.

### ESIS, Lubumbashi — IT Technicien

Juny 2022 - Aug 2022

During this internship, I had to Set up a video surveillance system in the printing shop of the Technical Institute of Salama, but also a local network to interconnect the different rooms of the teachers. I showed dynamism and proactivity.
